

CURRENT BASEBALL PUBLICATIONS: 2008
An Introduction to CBP

CBP is a quarterly publication of the SABR Bibliography Committee. Its purpose is to list all the current baseball related publications published during each quarter and each calendar year. Publications are grouped into the following twelve broad categories:

1. Anthologies, Book Reviews, Essays.
2. Biographies, Autobiographies, Personal Accounts.
3. Adult Fiction and Poetry.
4. History, Economics, General Works.
5. Hobby:
 - A. Rotisserie and Fantasy Leagues.
 - B. Card and Memorabilia Collecting.
6. Humor and Trivia.
7. Instructionals, Fitness, Rules.
8. Juvenile Works:
 - A. General Works.
 - B. Biography.
 - C. Fiction.
9. Reference, Statistics, Annual Works.
10. Magazines, Newsletters, Newspapers.
11. Movies, Videos, Computer Software.
12. Selected Journal Articles from magazines.

Although some publications may belong in more than one of these categories, they are listed only once in their most obvious (at least to the compiler) category. Items omitted or overlooked in one quarter will appear in the next issue or as soon as bibliographic data is found, even though they may have been released much earlier. Entries are numbered and run consecutively through each issue. Each entry contains the following information (or as much as is known):

Author (s). Title. Publisher. Address of Publisher. Phone number of publisher (especially if small press or self-published), number of pages, whether or not the book contains photographs, an index, bibliography, notes, chronology, statistics, appendix, etc. Price for both a hardcover and paperback edition (if published) and ISBN and ISSN numbers are included as well. Since the 13 digit ISBN number is going to be the future standard I will begin using the 13 digit number. For a time you will see the 10 digit number used. If it is a reprint, original publisher and year of the first edition are noted. Occasionally entries contain comments on the publication, if the compiler has had time to read or review the item. The month where an item is first noticed on the book shelves is noted (note the release date maybe much earlier than the date listed). Release dates as shown on the Amazon.com web-site sometimes are provided. Also a source for the data is listed if the item has not been viewed by my own eyes.

I make no claim to have listed all publications in any category. Please direct your comments, additions, criticisms to the editor, Rich Arpi, 2445 Londin Lane E, # 410, Maplewood, Mn. 55119-5593 (rwaces@cs.com). Your help will make CBP a better and more comprehensive bibliography. Bold highlighting of the numbers means the entry is new for this quarter.
